

DOWNTOWN REVITALIZATION

The Quitman Development Corp has a major ongoing project to improve the infrastructure of Quitman Downtown. In addition, the Quitman Chamber of Commerce and Quitman Downtown Merchants Association work to bring facility improvements and activities to the downtown area. Donations to this fund will be available to any of these projects and activities as needed.

Past projects of this fund include the installation of two murals as part of the [Wood County Walls](#) initiative.

Donations of cash are accepted for this fund and are tax deductible. Donations can be made online at the website and include "Downtown Revitalization" in the "add a note" section of the paypal donation page.
